## **Sirius Computer Solutions Acquires MSI Systems Integrators**

*Acquisition Completed Through the Purchase of Company's Stock*

**San Antonio, TX – 1 December 2010** – Sirius Computer Solutions, Inc. ([Sirius](#)), a leading IT solutions provider in the U.S., today announced it has acquired MSI Systems Integrators ([MSI](#)), an IT integration firm headquartered in Omaha, NE, through a purchase of the company's stock. Both Boards of Directors have unanimously approved the acquisition, which closed November 30, 2010.

The acquisition recognizes that both Sirius and MSI bring significant value to clients and together can provide technology solutions that strengthen the competitiveness of companies across America at a time that is crucial to economic recovery.

Sirius is backed by 30 years of experience, with a team of almost 700 employees providing [IT solutions](#) to thousands of companies. With the acquisition, Sirius will have pro forma annual revenues exceeding \$1 billion annually.

"Our companies have similar core values, client focus and industry-leading partners," said Joe Mertens, president, Sirius Computer Solutions. "MSI also complements Sirius' strategic initiatives with innovative services, [Technology Enablement Centers](#), and certified, experienced professionals in key technologies. The resulting company will have outstanding financial strength, national depth, unparalleled technical skills, and world-class solutions from leading technology manufacturers."

MSI has been in business since 1994. In 2010, they exceeded revenue growth goals by focusing on [strategic IT areas](#) including networking, managed services, project management and client asset management.

**About Sirius:** Sirius is a national IT solution provider dedicated to helping clients implement advanced infrastructure solutions that provide a competitive advantage and a positive return on investment.
